## PHYSICAL BODY CHECK

Please note the exact location of injury, scar or identifying marks by placing a letter on the model below.

Use the lines beneath the model to describe the corresponding marking that each letter represents.

| Accessment Completed: |              | ·                                     |         |             |
